Twenty-Second Year. No. 45

Picnic Supplies

Beginning with the "Fourth" picnics continue to come thick and fast for two months, and particular housewives are always watching and planning for something better and different for these happy outing days.

We have a special lot of canned goods and other foods for such occasions. Some have made their appearance just lately and we're sure you will be delighted after trying these once.

The quality and freshness of our staple and seasonable foods has never been doubted, for we always aim to have that which is best.

We pay the highest cash price for your Cream, Eggs and Poultry.

JASPER, MO.

Mrs. E. H. Metcalf and little daughter of Spencer, Iowa, have been visiting the past two weeks with the families of George Strawn, Leach Wiseman and T. F. Weber.

Perry K. Hurlbut for coroner.—adv.

THREE SUNDAY ACCIDENTS.

Two Driving Mares and a Ford Car Run Away—Several Injured.

Jerry Arnold and his sister Miss Sara, children of C. A. Arnold and wife, who live in the Blue Star neighborhood, started to Sunday School in Jasper Sunday morning driving a mare to a buggy. When they reached a point this side of the Coon Creek bridge a motorcycle passed them coming from behind and frightened the mare. Jerry's cap fell off in his effort to quiet the mare and his sister got out to get the cap, and when they started again the mare ran away and over-turned the buggy and broke loose from the buggy. The young folks escaped with scratches and bruises, but the harness was broken and the buggy considerably damaged.

Carl Teeter, accompanied by Bernard McCune, was taking a little drive in a Ford roadster that his father had just bought for Carl. They were driving north on the road passing Mrs. George Patterson's place, a mile east of Jasper, when Carl, who was driving, turned to hear something Bernard was saying and let the car leave the road. He turned the car quickly back into the road and it ran across the road straight toward a telephone pole. In trying to avoid the pole Carl turned the car a little too quick and it tipped over. Carl escaped with scratches and bruises, Bernard had his hand badly cut. The latter went to Dr. Schooler's office where four or five stitches were required to close the wound. The top and windshield of the car were badly wrecked and a front axle bent.

Two young sons of Fred Kerrick and three boy friends from Carterville started from the Kerrick farm, east of Jasper, for a day's fishing Sunday morning in a cart the boys had rigged up, and driving a horse. Before arriving at their fishing

NED FRICK DIES IN JOPLIN

Health Had Been Bad A Number of Years

E. B. Frick, an old-time resident of Jasper, but for some years past a resident of Joplin, died at his home there last Sunday after an illness of eight weeks. The funeral was held Tuesday morning at the home at 8 o'clock, and the body given burial at 11 o'clock in the Jasper Masonic Cemetery.

Mr. Frick was born at Freedom, Ill., August 13, 1865, making him almost 55 years of age at his death. He came here with his parents, Jacob Frick and wife, in 1882, and lived here almost continuously until about 10 years ago, when he went to Joplin and took employment with a white lead works. Mr. Frick was a friendly and genial man, forming enduring friendships for many of those with whom he came into contact. He leaves a large number of friends here. He is also survived by his wife, Mrs. Emma Frick, a son Earl; Mrs. Hazel Cernal, a daughter, and an infant son Dwight Edwin; his aged mother, Mrs. Jacob Frick; three sisters, a brother and two half brothers, as follows: Mrs. C. L. Spaid of Joplin, Mrs. J. L. McNabney and Mrs. Anna Snyder of Kansas City, B. C. Frick of Wichita Falls, Texas, J. O. Frick of Kansas City and Al Frick of Sedalia.

All of Mr. Frick's family were with him at the end except his son Earl. The latter is in the Navy and could not be reached—at least no answer was received to telegrams sent him through the Navy Department.

place the harness came loose allowing the shafts to come up over the horse's back. The horse became frightened and ran away throwing them all out. They were all considerably scratched and bruised and the Kerrick boys rendered unconscious for a time.

FOR PROSECUTING ATTORNEY

Charles S. Walden of the Firm of Walden & Andrews of Joplin.

The name of Charles S. Walden of Joplin will be presented at the primary election in August for consideration for the office of Prosecuting Attorney for Jasper County.

It hardly seems necessary to introduce Judge Walden to the people of Jasper County, he being so well and favorably known throughout the county. He is the senior member of the law firm of Walden & Andrews, one of the leading firms of Jasper County and it might be truthfully said of Southwest Missouri. He has been practicing law in this county twenty-two years, and during that time aided his partner, Mr. Andrews, in the prosecution of over 300 criminal cases, and secured 95 per cent convictions. There is no question as to Judge Walden's ability as a lawyer and a prosecutor. He is clean cut, four square and is in full accord with law enforcement. He has been a life long Republican and is in full accord with his party on the important questions of the day.

In addition to that he is 100 per cent American. Although being beyond the age limit to enter the military branch of the service during the world war, he did offer his services and was accepted into the relief work; he spent an entire year in France, and seven months of that time was along the firing line and in the trenches, doing whatever he could to add comfort and help to those engaged in the conflict. Much of the time he was in as much danger as anyone.

Judge Walden will greatly appreciate your support at the primary.—Adv.

Fine Rain Tuesday Night.

A heavy rain continuing two or three hours fell in Jasper and vicinity Tuesday night. It was a good soaker and did a world of good to the corn gardens, pastures and small fruit.

Another Runaway.

Jacob Thiel's team ran away with him Monday while Mr. Thiel was cutting oats with a binder. Mr. Thiel suffered a fractured and dislocated knee, but otherwise was not seriously hurt.

IF You have one of the large calendars we sent out the first of the year, turn to the page for the month of March and notice the picture of the splendid Hog House, that is planned to admit plenty of light, well ventilated, and with a cement floor. A money-maker for the hog raiser.

Walter Dodd, who raises and ships his thoroughbred big-boned Spoited Poland China Hogs to half a dozen different states west of the Mississippi and some east, has just completed a Hog House on this plan and intends to build another this fall.

Mr. Wm. Miller has just given his home a coat of "Devoe Lead and Zinc Paint," improving the appearance and adding to the value of his property.

Ask Mr. Miller what he thinks of "Devoe."
